

## ***Bernie Young Memorial Run - A HUGE SUCCESS!!!***

Many thanks to everyone who ran or walked the 6 kilometre route on Saturday last. With the sun shining and over 140 adults, teenagers and children taking part the event was a resounding success. Thanks to the organising committee and volunteers, which included parents, members of the community, staff, board of management, and former past pupils for their generosity and time. Community spirit is alive and kicking in Glenahulla, a fitting tribute to former principal Bernie Young. Check out this weeks Avondhu newspaper and our school website for photos later in the week.

## ***Parents Association***

Mary O'Mahony from the National Parents Council of Ireland will give an information session on parent associations on **Monday 15th October** at 7.30 pm in Ms. Courtney's classroom, with the aim of forming an association on the night. ALL parents of Glenahulla N.S. are invited to attend. If you cannot make the meeting, and would like to be part of our parent association please let us know prior to the meeting.

*The parent association is the structure through which parents in a school  
can work together for the best possible education for their children.*

*The parent association works with the principal, staff and the board of management  
to build effective partnership between the home and school.*

*Partnership between the home and school is important  
because with positive and active partnership the child gets the best that primary education can offer.*
